

HELP

The Goal: Equipping believers with a basic outline of the gospel, along with a tool to help them articulate clearly in casual conversation.

You can't expect a victory without taking the time to train. Help Week is essential if you want to see your club be successful. The purpose is to empower students with a basic outline of the gospel. This will help students have answers to questions their friends are asking about faith. If you have a friend that made a decision on Engage Week, it's also a great opportunity for them to learn the basics of their new life in Christ.

EQUIPMENT:

A list of monthly recommended resources is on the following page. You can find a detailed sheet on how to use each of the resources at www.firstpriority.club/help. The student leader(s) of this week needs to learn, study, and memorize their chosen gospel presentation. Through their teaching, the small group discussion with other students, and with time, all FP students will gain an ability to understand and better express why they believe what they believe. Each month

Definition: [verb] Make it easier for someone to do something by offering aid.

will focus on a different angle and/or method for sharing the truth of Jesus Christ. By the end of the year, the goal is to have students ready to give a reason for the hope that is in them (1 Peter 3:15).

COACHING TIPS:

- Leadership should be familiar with the training resource in advance and have printed copies available.
- Don't allow discussion to become divisive.

- Be sensitive to new believers and aim to help them grow in their new relationship with God.
- Be sure to emphasize spiritual growth of every believer as they talk about the Gospel. This specific challenge to grow in your own personal relationship with God is important as you reach out at your school.
- Every month: Complete the Follow Up Process... New believers are what this club is all about!
