

HELP WEEK

HELP DEFINED:

[verb] To make it easier for someone to do something by offering aid.

THE GOAL OF HELP WEEK:

We want to equip believers with a basic outline of the Gospel, along with a tool to help them articulate the Gospel clearly in casual conversation.

You cannot expect a victory in life without taking the time to train, practice, and prepare. The Help Week meeting is just that for the First Priority club. If you want to see your club be successful in sharing the Good News of Jesus with students in your school, then you need the members of the club to know the Good News. The purpose of Help Week is to empower students with a basic outline of the gospel. There are many ways to share the Good News of Jesus, so each month you will take a moment and learn together.

If there is a person who made a decision on Engage Week, it's also a great opportunity for them to learn the basics of their new life in Christ.

EQUIPMENT:

Each month, the H.O.P.E. Guide will provide you with a new tool that you can go over and have the club members use to invite people into a conversation about Jesus. If one month's tool does not fit the culture of your club, you can get a replacement tool here: <https://firstpriority.club/helpweektools>

The student leader(s) of this week needs to learn, study, and memorize their chosen gospel presentation in order to be ready to lead the club. Through their teaching, the small group discussion with other students, and with time, all FP students will gain an ability to understand and better express why they believe what they believe. Each month will focus on a different angle and/or method for sharing the truth of Jesus Christ. By the end of the year, the goal is to have students ready to give a reason for the hope that is in them (1 Peter 3:15).

COACHING TIPS:

- Leadership should be familiar with the training resource in advance and have printed copies available.
- Don't allow discussion to become divisive.
- Be sensitive to new believers and aim to help them grow in their new relationship with God.
- Be sure to emphasize spiritual growth of every believer as they talk about the Gospel. This specific challenge to grow in your own personal relationship with God is important as you reach out at your school.
- Every month: Complete the Follow Up Process... New believers are what this club is all about!
