"Welcome to First Priority, we are glad you joined us! Today we are going to start off with a game to get to know each other better.

Game

Choose a game or funny video to play for 3-5 minutes to get people laughing and talking.

Say something like: "Today, my friend, _____, is going to share something that is very important to them. Please listen respectfully as it takes a lot of courage to speak in front of others. You all were given a "student response card" that looks like this (hold up a sample card) when you came in. Hold on to it and we will explain what it is for later."

Gospel Discussion

“Rescue. Reconnect. Renew.”

The Gospel simply means “Good News”. Throughout history, a “Gospel” would be written about someone to tell of their birth, life, and impact in the world. It also explained how that person’s life would affect yours. The Gospel of Jesus is the good news of who Jesus is and what He has done for us. His birth, life, death, and resurrection impacted the world in a major way! Jesus told us that we are created by God, valued, and loved more than we could ever dream. The Gospel is the good news that Jesus has come to rescue us, reconnect us with the Father and each other, and to make all things new.

Rescue

Jesus came to rescue us, bring us into the family of God, and make all things new. But wait, why do we need rescued? We need to be rescued because of all of us have sinned. What does that mean? Sin means that we have all failed to fulfill the purpose that humans were created for. Sin has created brokenness in every area of life. We can all relate with that, right? Sin is when we make things about ourselves. It is living for ourselves, living our own way, for our fame and recognition – instead of living to love God and others and glorify God who created us. Our failures have broken the relationship between us and God - our heavenly Father. Sin has distorted our true identity, and brought brokenness into every part of our world. This is why we need rescued!

Reconnect

God created us to have a relationship with Him. Sin disconnected us. Kind of like when losing WIFI connection - the communication is broken! God came to rescue us through Jesus. Jesus lived a life without sin (failure) and totally fulfilled the purpose of God through His life, death, and resurrection. When we hear the Good News of Jesus, believe, and devote our lives to following Him, we are reconnected to God. We are reconnected to our true identity as God's children.

Renew

When you place your trust in Jesus and devote your life to following Him, you begin a new way of living. The life that God created you to live - renewed. Have you ever felt like a failure? Have you ever felt disconnected from God? Have you ever dreamed of having a life full of love, joy, purpose, and meaning? You can. The Gospel says you can be rescued, reconnected, and renewed by faith in Jesus.

Pray - God, you know that I need rescued today. Rescued from decisions I have made and things that have happened that are beyond my control. I now know that you want to rescue me, reconnect me to you, and renew me to a life of joy, purpose, and meaning. I am choosing to trust and follow you now and forever. In Jesus name, Amen.

Disciple Tip

Followers of Jesus are the body of Christ on Earth. That is why we should do what Jesus did.

FOLLOW-UP GUIDE

Following up with those who just committed their lives to Jesus or have questions is equally as important as sharing the Gospel! This guide will give you a few pointers on how to follow-up correctly.

SIX THINGS TO DO WHEN FOLLOWING UP

1. Determine how many and what kind of follow-up has been requested.

As soon as possible, read through the response cards after you have collected them and let your Coach know how many people committed their lives to Christ and how many students have questions or want someone to follow up with them.

2. Organize the response card information.

Write down on the follow-up chart the names, response, and contact info of everyone who made decisions and requested to talk with someone.

3. Make contact within 24 hours with everyone who responded to the Gospel on Engage Week. This can be done by text message, personal conversation at school or social media, just remember to check with your parents for permission before contacting someone you do not know. The initial message should be something like this:

"Hello ____! My name is _____ and I saw that you came to First Priority club this week! We are really excited you came, and we hope you'll come back next week. I also noticed that you marked on your response card that you [prayed to begin a relationship with Christ] -or- [wanted to talk with someone about the Gospel] so I wanted to ask how I could help you. If you have questions about their responses, you can contact your Campus Coach for guidance.

4. Invite them to church! If they were invited by a friend to First Priority...

Ask that friend to invite them to youth group this week, since they are more likely to attend church with someone they know. If they plan to go to church for the first time, you can also ask your Coach to notify the Student Pastor that they will be having a new guest this week! Make sure to discard any response cards that you will not be needing for follow-up.

5. Offer a free Bible to those who prayed to receive Christ if Bibles are available through your First Priority club or church.

Make sure one is available before you offer and make sure they receive it if they ask for one.

6. Share Stories

Share any cool new salvation stories and new local youth group members with your Coach! He or she will want to celebrate with you about what God is doing through your club!
