

3-6-9 CLAP GAME

Objective

This is an elimination game and your goal is to be the last person remaining!

Description

Quick overview of the rules: For the 3-6-9 Clap Game, you cannot say 3, 6, or 9 or any number containing a 3, 6, or 9. For example, you can not say 6, 13, 29, etc. Instead of saying a number with 3, 6, or 9 in it, you clap when it is your turn. To play, make a circle with the campers. The first camper begins by saying “One” and the next camper says “Two” but the 3rd camper claps because it is a 3. In this example, if a camper say “Three” they are out. If they clap , they remain in the game and the next person says “Four.” If they take to long to speak or clap, they are out (although you can use your discretion).

Example = 1, 2, Clap, 4, 5, Clap, 7, 8, Clap,10, 11,1 2, Clap....

When you get to the 30s, 60s,and 90s campers should clap for each because they contain a 3,6, or 9

Example: 28, Clap, Clap, Clap, Clap, Clap, Clap, Clap, Clap, Clap, Clap, Clap, Clap, 40
